23. Courses in which student assessment of teachers is introduced and the action taken on student feedback.

No doubt, students, the major stakeholders are the best evaluators; as such assessment of teacher is not taken course-wise. But one tutorial group is organized one per semester in which the students express their opinion about the teachers. The chair takes an action accordingly by personally inviting the teacher to address the drawbacks pointed out by the students. The existing teachers are replaced by holding fresh interviews for the faltering incumbents.

24. Feedback from stakeholders :

It is only the race for perfection that is going on and one of the important method/way to bring the desired results is the feedback received from the concerned corners. The college obtains feedback from faculty, students, alumnus, employers and community. In community we include the visitors, parents and guests of institution.

Alumni Feedback

Alumni of the college give their feedback regarding quality education and discipline in the college and praise the head of the institution for the further growth and progress of the college and also for well maintained discipline especially in the campus. The Alumnus gives their feedback in the alumni meet which is held in the college campus annually. The alumnus praises the healthy student-teacher environment prevalent in the college.

Employer Feedback

The College Governing Body gives their feedback and suggestions towards conducive education and for starting of new courses during the meeting of the College Governing Body. Plans regarding academic development of the college are discussed & passed in the meeting before being processed for implementation.

Parents Feedback

Parents give their feedback towards the education and environment in the college campus in every Parent Teacher Association meeting. The parents usually come to the college campus and praise principal for the disciplined behaviour of the students. The views of parents are always positive and appreciative regarding college campus and the divine environment because of the Gurudwara Sahib (Divinity Place).

Students Feedback

Students' feedback is got through tutorial meeting held twice a session. The feedback of the students is related to academics, cultural, sports and several co-curricular activities. The students discuss the shortcomings/demerits of the college and mention them in writing. The authorities than look upon and pay heed to the betterment of the institution.

Section D

Plans of the HEI for the next year :-

Guru Nanak Khalsa College, Karnal is specifically UG College, however considering the demand of time and also due to heavy pressure from the students and the society, the college is successfully running few PG classes under self-financing scheme. Students from the surrounding urban as well as rural areas seek admission in the PG courses. Every year the institution plans a lot for the progress of these higher courses. Infrastructure, equipments and books & journals are added every year for the benefit of the students. All this contribute to brilliant results.

- Plans were made to add more computer systems in multi-media lab.
- Proposals were formed and send to DGHE, Haryana for getting grant for organising two National Level Seminars by the PG Dept. of Geography and by the Dept. of History.
- Planned to conduct Extension lectures by eminent scholars in Geography as well as M.Sc. Computer Science.
- To add more reference books and journals in the library for all the PG classes.
- To send the students for field survey and for internship as prescribed in the syllabi of M.Sc. Geography and M.Sc. Computer Science respectively.
